Example of the abstracts design

Section 1. Paradigm and determinants of modern management.

TRANSFORMATION OF DOMESTIC BUSINESS UNDER **MARTIAL LAW**

Zelisko I.M., Doctor of Economics, Professor. Ivanov O.O., Postgraduate Student State University of Information and Communication Technologies (Kyiv, Ukraine)

The basis of intellectualization of social reproduction throughout the entire period of human development has been and remains innovations as sources of economic progress. Innovation and innovative development are the driving force of economic progress in Ukraine......

Artificial intelligence is being used, robotization of production processes is being introduced, Internet of Things technology is being used, and a smart home system is functioning. The financial sphere uses cryptocurrencies: Bitcoin, Namecoin, NXT, Litecoin, Ripple, Peercoin, Quark, and a blockchain concept has been introduced for electronic financial transactions [1].
